Procedure:

- x Any groups posting notices or displaying banners and other materials are responsible for ensuring the material is legitimately posted/displayed. Where doubt exists Campus Operations Manager (or delegate) shall be asked to make a ruling. This decision may be appealed to the Deputy Registrar Operations.
- x The University reserves the right to take any appropriate action including the removal of any material in the event of a suspected breach of the University's policies.
- x Surfaces other than designated notice boards are not to be used for notices. Inappropriately located notices or banners will be removed. The cost of repairing any damage to the surface may be charged to the person who posted the notice.
- x Should campus groups wish to establish notice boards, application should be made to the Campus Operations Manager and will set out the purpose and proposed location of the notice board, and who is expected to fund the construction.
