

QUALIFICATION REVIEW POLICY

Vision:

That continuous quality assurance is proactively promoted across the lifecycle of all qualifications.

Purpose:

In order to demonstrate our commitment to providing an integrated portfolio of qualifications that are fit for purpose and designed and delivered in accordance with university policies and strategic plans, a rolling system of qualification reviews operates within the University. The purpose of qualification reviews is to evaluate and continually improve the qualifications offered by the University.

Policy:

Each qualification within the University's academic portfolio will be comprehensively reviewed once every review process. Qualification reviews will be conducted in accordance with the Massey University Qualification Review Procedures.

Definitions:

A qualification review is a review of an entire qualification, or group of related qualifications and specialisations, through the peer evaluation of objectives, structure and management, teaching, learning,
